Ars Necronomica: Lovecraft exhibition opening receptions

Ars Necronomica: Lovecraft exhibition opening receptions

This event is on **August 22, 2013 7:00 pm**

Providence Art Club and Brown University's Cohen Gallery opening receptions, showcasing the myriad influences Lovecraft's work has had on artists around the world. Come and feast on the singular collection of art the convention organizers have amassed. The official convention openings for two of the exhibitions are located at Brown's Cohen Gallery and the Providence Art Club's Dodge House. Free and open to the public.
